

## **REPORT OF CAREER DEVELOPMENT ACADEMY 2017-18**

The Career Development Academy is a student-improvement initiative by D.T.S.S College of Commerce. The Academy selected students through a written test and interview. The purpose is to train them for competitive examinations like the entrance tests for various careers in the public sector, such as I.A.S, I.P.S, Railway Recruitment Board, Banking Exams, L.I.C, and many others. Training is delivered by arranging for presentations and lectures by experts in various fields, as well as by providing books and journals for reference and learning. The Career Development Academy aims to inspire students to build a career while serving the nation. The following programmes were organised in 2017-2018:
