### Department of lifelong learning & extension (DLLE)

### DEPARTMENT OF LIFELONG LEARNING & EXTENSION (DLLE)

The Department of Life Long Learning & Extension **enrolled 147 students** for the year 2018-2019. Besides doing the projects given by the Dept. from the University, the students also learned and experienced various entrepreneurship skills, leadership skills, developed their Communication skills and also performed Street plays and participated in various social awareness programmes.

**Professor In charge:** Prof. Shraddha Chavan

**Student Managers:** 1) Divyabharti Nadar: TY.BMS      2) Jimson Johnson: SY.BMS

**1) 1st Term Training Program: 3<sup>rd</sup> August 2018**

The DLLE Teacher In charge along with 2 Student Managers attended the First Term Training Program which was held at S. M. Shetty College of Science, Commerce and Management Studies, Powai, Mumbai on 3<sup>rd</sup> August 2018. The teacher and students were guided about what is DLLE all about and a brief orientation was given to them about the DLLE activities which they had to implement in their College for the year.

**2) DLLE Orientation in College: 7<sup>th</sup> August, 2018.**

An Orientation of the department was organized in the College where students were informed about DLLE and its benefits. The Teacher In charge explained about the activities related to DLLE Extension work. Along with it, the ex-DLLE students shared their experience of being a DLLE member and convinced the other students to join DLLE. Besides this Orientation, the

Student Managers went to each Class during the week informing students about DLLE so that the students not present in the Orientation can also get an idea about the Department.

### **3) DLLE Registrations: Total of 147 Students**

The registration forms for the academic year 2018-19 were distributed on 10<sup>th</sup> August, 2018. 147 students showed their interest and were registered to be a part of DLLE. The forms were collected and segregated on the basis of their Class and the total was summed up to 141 students from the Self Finance Section of Degree College and 06 students from the Post-Graduation Section (M.Com).

### **4) Project Topic Distribution :**

Students who were registered under DLLE were given a brief explanation about the Projects and activities. All decided to undertake the Project - PEC (Population Education Club), where students would be learning and imparting awareness and educating the college students and the society about the social issues arising in our country. Students were divided into groups and then they performed street plays in College as well as areas near College on the topics selected by them. The topics which were selected were as follow:

- Save Food
- Violence against women
- Dowry prohibition
- The commission of Sati
- Pollution around College
- Industrial Pollution
- HIV-AIDS
- The girl-child
- Noise pollution
- E-Waste Management

The Post-Graduate students undertook SWS (Status of Women) as their project, which involves having a survey on the status of women today in our country. At the end of the term they would analyze the survey and come up with the observations.

##### 5) “E- waste Management” An initiative : 14<sup>th</sup> December 2018

**On account of National Energy Conservation Day on 14<sup>th</sup> December 2018**, The Department of DLLE took an initiative at the College/Community level to collect the E-waste for its safe disposal and recycling, **collaborating with the Indian Development Foundation (IDF )**, an **NGO** at Bangur Nagar , Goregaon , that takes initiative by trying to solve the social issues.

DLLE students explained the harms of unsafe disposal of Electronic Wastes and also highlighted the importance of E-Waste Management to all the students of the College. They convinced the students to come up for helping in this initiative by placing boxes in the College for collecting all types of Electronic Wastes and asking the students to get all possible e- wastes (old chargers, broken or not functioning cell-phones, wires, electronics, batteries, power banks, cds, etc.) from their home or offices so that a huge pile is collected and then sent for safe disposal and recycling.

DLLE students carried out this activity for around 2 months and then the boxes were given to Indian Development Foundation (IDF) for further disposal/recycling of those collected waste.

The initiative had a very good response from the College students as well as the College Staff. An appreciation letter was also given to the College by IDF for the efforts shown by us to have a better environment.

### 2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

At the beginning of the year the college committees are constituted to plan and implement the programmes in order to attain the organizational goals.

The IQAC suggests ways in which students should be informed about the various student support services provided by the college. In addition to the college prospectus, information about the various student support services is communicated to students through the college website, signage, notice boards, circulars and magazines.

Feedback is collected formally and informally from the students, parents and faculty for improving the student -support services.

The institution has a dedicated person in the administrative office who looks after the free- ships and scholarship which are available to the students from the government and also from the institution. In the beginning of the academic year students are informed about various freeships and scholarships which are available to them through notices sent to the class rooms and displayed on the notice board and the college website. Telephonic contact is also made with the eligible students.

2.5.2 Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

- The University has introduced the CBSGS since 2011-12 and it has been adopted by the college.
- The students are made aware of the provisions regarding revaluation and obtaining photocopies of their answer sheets as per the guidelines given by the University.
- The recent examination reforms introduced by the university and implemented by the college include:
- The new question paper pattern has replaced descriptive questions with objective questions. Students are made aware of this change and they are trained well to succeed.
- The university has devised the internal evaluation procedures which have contributed to the continuous evaluation of students.
- M.Com students are assigned projects on various topics as per the University guidelines and these projects are evaluated by the internal and external examiner.

The Principal and Heads of the Departments with the help of the administrative staff of the Institution, ensure effective implementation of these reforms by:

- A. Conducting the University examinations, strictly according to the norms prescribed by the University
- B. Assigning separate examination seat numbers
- C. Strictly following the system of centralized assessment
- D. Declaring the result well within the stipulated time by the University.

We have formed Grievances Redressal Cell as per the University requirement. We follow all the instructions given by the University, such as,

- a. Allowing the students to apply for marks verification.
- b. Giving the photocopy of the answer book to the students who apply for it.
- c. Allowing the students to apply for reevaluation.
- d. Taking the opinion of the Committee constituted for the purpose to ascertain whether the candidate who has applied for reevaluation has any merit or not.
- e. Getting the answer book re-assessed (if recommended by the Committee). The result of evaluation is communicated to the candidate concerned.

As an affiliated college of the University of Mumbai, we have adopted an evaluation system as per the guidelines of the University.

- The Credit Based Grading System was introduced from the academic year 2011-12.
- As a result, the system of awarding internal marks to students based on class participation, written test and assignments started.
- The University followed 60-40 evaluation pattern under which 40 marks were allocated for internal assessment and 60 marks for external examination. Formative assessment of students included 40 marks.
- From the academic year 2014-15, the above mentioned evaluation pattern has been modified to 75- 25 marks.
- A summative examination of 75 marks (prior to 2014-15 the marks allotted for the semester end examination for 60 marks) is conducted at the end of the semester
- From the academic year 2016-17, the above mentioned evaluation pattern once again modified to 100 marks under Choice Based Credit & Grading System (CBCGS)
- The marks obtained in the internal assessment then form a part of the total marks which will be obtained by the students after appearing for the semester examination.
- As a result of the internal assessment, teachers are able to assess performance of the students and reach out to them to improve upon areas where they face problems.
- The semester end examination results are an indication regarding how much students have been able to grasp, retain and reproduce.

The following measures are taken in order to help students perform better:

- Holding class tests.
- Conducting group discussions.
- Solving of past question papers.
- Giving projects and assignments.
- Giving handouts of synopsis of various topics.
- Monitoring students' attendance.
- Revision Exercises.
- Monitoring students' behavior.
- Remedial Teaching.
- Spoken English Course under Remedial teaching scheme of the UGC.

| <p>There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.</p> <p>The institute has a definite and systematic mechanism for maintenance and upkeep of such facilities. Some of them are maintained by an Annual Maintenance Contract (AMC) given to concerned agencies , some are maintained by external agencies on demand as per the need and the others are maintained by the faculty members of the institution and skilled staff like plumber ,carpenter and electrician appointed by the management. A technical person has been appointed for regular maintenance of IT infrastructure in the campus. The Information Technology Department maintain all computer related works<br/>A ‘maintenance register’ is maintained where in complaints regarding repairs and maintenance of various</p> |  |  |  |

facilities in the campus are registered by the staff members. These are attended by concerned technical persons on regular basis.

Facilities like classrooms, seminar halls are cleaned daily by menial staff. Breakage if any is reported by the cleaning staff in office. Appropriate action is taken immediately. Painting of buildings is done on periodical basis.

The following table depicts the schemes for maintenance of some very important facilities in the campus either by an AMC or by some external agency on demand basis and its typical frequency.

#### 5.3.2 Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Formation of Student's Council takes place according to the directives received from Director, Student development (DSD), University of Mumbai every year. According to the directives class representatives (CR) are finalized. These CRs form the student council. Election for the post of 'General Secretary' (GS) takes place as per the schedule given by University. The details of GS elected are forwarded to the DSD office. The candidate may participate in University level student council election as per his/her will. Functioning of student council starts from the first meeting held under the chairmanship of Principal. The roles and responsibilities of the council members are explained to them. Also student's representatives on various committees in college are finalized in this meeting based on their qualities/expertize. They are introduced to the conveners of such committees at the end of the meeting.

Representatives of student council while participating in meetings of various committees express their views regarding dates, nature of the activity. For example CR in Annual Magazine (Sanskar) committee discuss the theme of the year, in examination committee they suggest the timing of written paper, internal evaluation week, in NSS advisory committee CR recommend the topics for sessions in special camping, in WDC meetings lady representative take active participation and discussed issues related to them. The Student's Council competition named 'Fiesta Fellas' is a major activity totally organized by student council. It includes variety of competitions such as Best out of Waste, Spell bee competition, Hairstyle competition, Story Telling Competition, Mehendi Competition, Turn Coat, Minute to Win, salad making (Vegetable carving), sandwich making, tattoo making, nail art, rangoli, Texting champion, Deit Bhel, Jhatpat Photography competition, food fest, Scheduling, allocation of events, on the spot management of participants is all taken care by the CRs.

Meetings of the student council are held at regular interval. CRs discuss their experiences, problems encountered by students in day to day functioning of academic as well as administrative work. Grievances if any are shared with the principal and other members. Principal as head of the institute takes appropriate measures based on the issues raised. During the meetings the council is informed about future activities and events to be organized in the college. Their active participation in such events is expected. During variety of conferences workshops, sport events, extra and co-curricular activities organized on campus CRs along with their peers extend great help through volunteering. College has organized State and National level activities with this student force.

Network of CRs is used to take student's feedback on various aspects like curriculum delivery, teaching learning, assessment, infrastructure, student support schemes, extension activities, governance, library facility etc. This feedback is of prime importance for college. It is discussed in IQAC while strategies and planning for coming year is finalized. Remedial, Bridge, Add on courses, additional internal evaluation, time slots for student related activities addition of infrastructure is planned using this feedback. Very positive recommendations in field of environmental conservation and green practices like "Plastic Free campus" have emerged out of the recommendations from students. The student council thus forms an integral part of academic and administrative ambience of college.

## **CRITERION VI –GOVERNANCE, LEADERSHIP AND MANAGEMENT**

### **6.1 Institutional Vision and Leadership**

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institutional administration is participatory and decentralised. According to Maharashtra University Act 2016 the governance of the college is done through the deliberations of College Development Committee-CDC (previously known as Local Managing Committee) comprising of representation of management, teaching staff, administrative staff, community and students. The participative deliberations of this forum takes decisions on important issues like fund distribution, purchase, basic amenities development, etc.

The college follows committee system for the decentralization of its day to day functioning. In addition to the bodies like CDC, IQAC, ICC there are 50+ other committees at work under broad divisions like Curricular Aspects, Teaching–Learning-Evaluation, Students’ Activities, Student Support, Research and Extension, Infrastructure ,Governance, etc. In addition various temporary committees are formed as per the need .The teachers are appointed as the members of these committees by taking into account their interests and abilities. The principle of delegation of authority is followed as it is delegated from the principal to vice principals, the vice principals to the heads of various departments or conveners/ coordinators of various units and finally from the heads to the other members of the department or unit. The responsibility of financial matters of the college is delegated to a separate Finance Officer.

#### **The Practice:**

Ever year the college IQAC assess the performance of all the departments. The highly rated departments are identified on the basis of factors such as their faculty profile, examination results, research outcome, community engagement,etc.

6.1.2 Does the institution have a Management Information System (MIS)?

Yes/No/Partial: YES

- The Management of the Institution is supportive and co-operative in their interaction with the staff.
- The office – bearers of the Management are available on the College premises once a week on every Saturday and the staff members are free to meet them to express their grievances, and give their suggestions.
- The Management formally has a meeting with the staff members generally once or twice a year. The Management also keeps joint Lunch meeting with all the staff members of the College, Junior College and School owned by Sanskar Sarjan Education Society.
- The management welcomes any suggestions given by the faculty through the Principal and in LMC meetings.
- The management provides the required support to implement the suggestions given by the staff.

## 6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

### ❖ Curriculum Development

- The Heads of Departments prepare a tentative academic plan at the end of previous academic year. The plan is then finalized at the beginning of the new semester. The same is discussed in the departmental meetings and with the Principal. It is finalized after making modifications if necessary. The approved academic plan is implemented. Workshops and seminars are organized for students. Holistic learning is achieved through personality development courses, co-curricular, extracurricular activities and extension programmes. Extra lectures are engaged as and when required.
- The faculty ensures that the teaching plan is implemented effectively by giving study material, handouts, question banks and assignments/projects to the students. We have to follow the curriculum designed by University of Mumbai.
- Our faculty member, Dr. Sussmita Daxini, is an adhoc member of the Board of Studies in the subject of Commerce in University of Mumbai.
- Our faculty member, Prof. R. M. Patil, is an adhoc member of the Board of Studies in the subject of Mathematics & Statistics in University of Mumbai.
- Our faculty member, Mr. Chandrkant Borle has prepared the study material for T.Y.B.Sc. (I.T.), University of Mumbai.
- Besides, our faculties also participate in the workshops, seminars, conferences ,orientation and refresher courses and many other interactive programmes arranged by the Mumbai University and its constituent and affiliated Colleges for development and implementation of curriculum.

## ❖ **Teaching and Learning**

1. At the beginning of the academic year various committees are finalized. These committees meet and have discussions amongst themselves and with student volunteers to decide the future course of action.
2. Moreover, the Heads of the departments hold periodic meetings with the other members to discuss the syllabus in detail. The syllabus is apportioned among the teachers of the department. A month-wise teaching plan of every department and every teacher within the department is prepared for each term on the reopening of the College. Also, study material prepared by the teachers is provided to students in many subjects.
3. A staff meeting is held in the beginning of the academic year. In a brain storming session best ways of implementing plans are discussed.
4. An Academic Calendar is prepared.
5. All the departments plan their teaching schedule and programmes based on these dates.
6. The faculty submits teaching plans to their heads of the department at the beginning of every academic year.
7. At the end of each academic session, each department holds a review meeting. Future plans are also discussed.
8. Various co-curricular activities are planned and implemented by the departments.
9. Students are well informed about the activities / workshops/seminars which are conducted in the college through notices, posters and teachers making announcements in the class. Notices are circulated in each class room for this purpose.
12. The Examination Committee, Cultural Committee and other committees of the college after having meetings with the Principal, finalize their schedules, keeping in mind the university exams. These dates are announced through notices and in meetings

## ❖ **Examination and Evaluation**

### **EVALUATION**

- The faculty follows the criteria laid down by the university while evaluating students.
- The syllabus and question paper pattern is communicated to the students in the beginning of the academic year by each course teachers.
- Examinations are conducted as per the rules and guidelines laid down by the University of Mumbai.
- Question papers are set by the faculty following the patterns provided by the University.
- Time Tables for all examinations are displayed well in advance on student and staff notice boards.
- Examination related circulars which are received from the university are circulated to faculty members and explained to students and are discussed in meetings as and when required
- To reduce the use of unfair means, students are given counseling and instructions not to indulge in unfair practices and made aware of the consequences of doing so. Action is taken against the candidates resorting to unfair means as per University guidelines.
- Orientation programmes for students and parents have been organized at the beginning of the academic year to make them aware of the examination system, student support services and other important issues like discipline and attendance
- The university has assigned marks for class participation and a class test apart from semester end examinations Internal evaluation of our
- Student takes into consideration the students progression from the beginning of the semester to the end of the semester.
- Subject teachers provide model answers and synoptic answers to maintain uniformity and objectivity in assessment.

- Assessed examination papers are moderated as per the University guidelines.
- The results are reviewed with the faculty for necessary additional efforts required in improving teaching.

#### ❖ **Research and Development**

our college has a Ph.D. Research Centre in Commerce (Business Policy and Administration) and in Accountancy, both recognized by the University of Mumbai. The college has a well defined policy to promote research which is as follows:

- To inculcate a research culture amongst students and faculty.
  - To provide appropriate ICT infrastructure facilities.
  - To collaborate with renowned libraries for research.
  - To provide time off and duty leave to conduct research.
  - To collaborate with industries for research.
  - To organize conferences, workshops and seminars in the campus.
  - To invite eminent researchers to inspire the students and faculty.
- To develop critical thinking and inculcate research aptitude of the students, they are given assignments.
  - Post-Graduate students are required to submit project assignments as a partial requirement for their degree. External Examiners are invited to evaluate the assignments...
  - Reference books and journals are purchased for the students and they are encouraged to refer to them for their assignments. These initiatives promote research culture among students.

Even at First Year and Second Year B.Com in subjects like, Economics, Advertising, Commerce, etc. students are persuaded to make presentations on various topics for which they require some reference work. The respective teachers spend quite some time with the students in getting them ready for their presentations which will encourage them to do some indirect research work.

#### ❖ **Library, ICT and Physical Infrastructure / Instrumentation**

##### ❖ **Library**

- Our College has a well equipped Library which is computerized. It has an excellent and ever-growing collection of a variety of books conveniently categorized department wise. These books help immensely in improving teaching and learning. Apart from B.Com., the self-financing courses, i.e. - B.Com. (Banking & Insurance] and B.Com.

(Accounting and Finance), B.Sc. (IT) , B.M.S. and Post Graduation courses also have their separate sections in the Library useful for their faculty and students.

- Faculty members regularly use the library resources to update their knowledge in order to prepare teaching material.
- Students are given information of reference books available in library through OPAC.
- The college library organizes a book exhibition. This gives students and faculty a good exposure to a variety of new writings.
- There is a new arrival section in the library which showcases books recently added to the library.
- Educational CD's are available in the library.
- The internet and various e-learning resources are made available to students free of cost.

### **Infra structure**

- Good Campus with playground.

## ❖ Admission of Students

- From the academic year 2008-2009 the University of Mumbai has introduced the system of online enrolment for the Under-graduate courses in various colleges affiliated to it.
- The University of Mumbai website [www.mu.ac.in](http://www.mu.ac.in) provides detailed guidelines regarding admission of students to the 3 year Under-graduate programs.
- The University informs the entire admission schedule to the college which has general guidelines about:
  - Date of issue of forms for the admission to a particular course.
  - Date of submission of forms for the course.
  - Schedule for In-house admission and minority quota admission.
  - Reservation Quota.
- Students who have passed standard XII decide which college they would like to enroll in.
- Enrolment does not ensure admission.
- Admission takes place at the college level, using the enrolment list provided to the colleges by the University of Mumbai.
- Once the student is admitted by the college, the University is intimated about which of the enrolled students in fact took admission.
- The same enrollment number is used while intimating the University OF Mumbai.
- For all In-house students applying for admission for the B.Com (aided) course, admission is given if they apply within the stipulated date.
- Thereafter, admissions for the minority quota and reservation category are done on merit basis.
- The same guidelines are followed for the admission in Self-financing Courses and Post-graduate courses. However there is no In-house quota for these courses.
- To ensure transparency, all admission related information is provided to the University of Mumbai.
- The University website provides information about our college as one of the recognized Research Centers in Commerce and Accountancy. Students who wish to pursue Ph.D. apply to the college research centre after qualifying the entrance examinations –PET/NET/ SET/ JRF/ M.Phil. or having five years of teaching experience. The admission process is completed after conducting interviews and eligible students are given admissions as per the University guidelines.

All the faculty members are actively involved in publication of research papers and participate in international national and state level conferences. Out of 10 aided teaching staff, 8 have completed their Ph.D., 1 is an M.Phil, and 2 are pursuing their Ph.D. RESEARCH CENTRES IN COMMERCE (Ph.D &amp; M.Phil) &amp; ACCOUNTANCY (Ph.D) The College is approved by the University of Mumbai for Ph.D Research Centres in Commerce and Accountancy, and M.Phil Research Centre in Commerce. The College has five registered Ph.D. Guides.</p> <p><b>ANNAPURNA SCHEME :</b></p> <p>The unique Annapurna Scheme provides nutritious and free breakfast to a substantial number of needy students each semester. This scheme aims to provide nutritious and filling breakfast through the college canteen to needy students each year, who attend college early in the morning, often without any provisions for tiffin, and also have to take up part-time employment after college hours to support their family. The Scheme was a brainchild of Late Shri GiteshbhaiMajlani, whose generosity and concern for the student community has been reciprocated by the other kind-hearted Management donors who have made this scheme possible. The scheme commenced in the year 2009-2010 with 30 students. It increased to 60 students in 2010-2011, and to 80 students in the next years. The SanskarSarjan Education Society aims to increase the number of beneficiaries of this scheme to reach out to the maximum number of needy students</p> |                             |                        |
