Department of Information Technology
ANNUAL REPORT

Short History

D.T.S.S. College of commerce successfully started Department of Science & Information Technology in the year 2006 under the guidance of Principal **Dr. M. S. Kurhade & Trustees** of college.

Department has successfully completed 10 years and grown in all dimensions. In the year 2007, Information Technology was introduced for Std. XI with the intake of 120 students. The department expanded with introduction of B.Sc. I.T. (IDOL) in the year 2007 and further with regular

B. Sc. I.T. in the year 2009. Since then, the growing number of admissions in B.Sc. I. T. proved the success of the department. The intake has been increased by 20 % from the year 2015-2016.

The department has started M. Sc. I. T. in the year 2016-2017 with intake of 20 students.

Department is also functioning as a PCP center for MCA (IDOL) since 2013.

Prof. Chandrakant Borle

Goal of the Department

I.T. departments develop general theories and information processing that provides professional training to students. The objectives of the department are to provide knowledge of modern computing systems and sound theoretical background to meet evolving needs of current market. The department aims at establishing strong relationship with industry so as to bridge the gap between academic and corporate sector. The department also aims at cultivating quality like leadership, team work, self-confidence & communication skills among students. The department is committed to ensure lifelong learning attitude among students. The overall objective of the department is to make the students aware of necessary professional as well as ethical values.

Mr. Chandrakant V. Borle

Training

1. Department of Information Technology has organized a Training on **College Mobile App and Portal** on **25th FEB 2023** at **9:00 am**, by **Prof. Pravin Patil**.
2. Conducted a webinar to showcase the **Entire Admission Process from the Admin Login** on **13 June 2022** at **03.00 PM** on zoom meeting.

Important points covered are

- a. Form verification
- b. Viewing courses wise registration details
- c. Form unlocking for students
- d. Form verification
- e. Migration to ERP portal
- f. Fees assigning/demand creation
- g. Communication with student

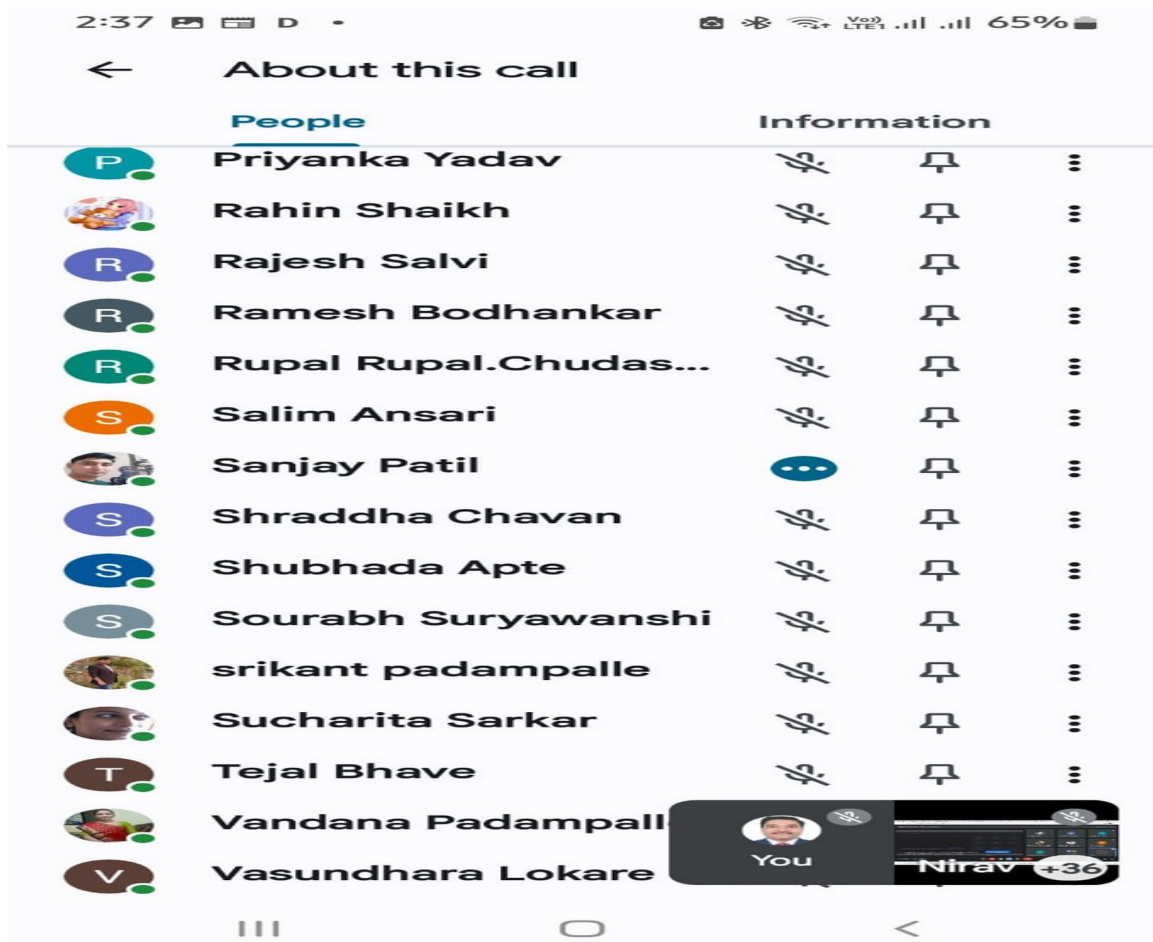

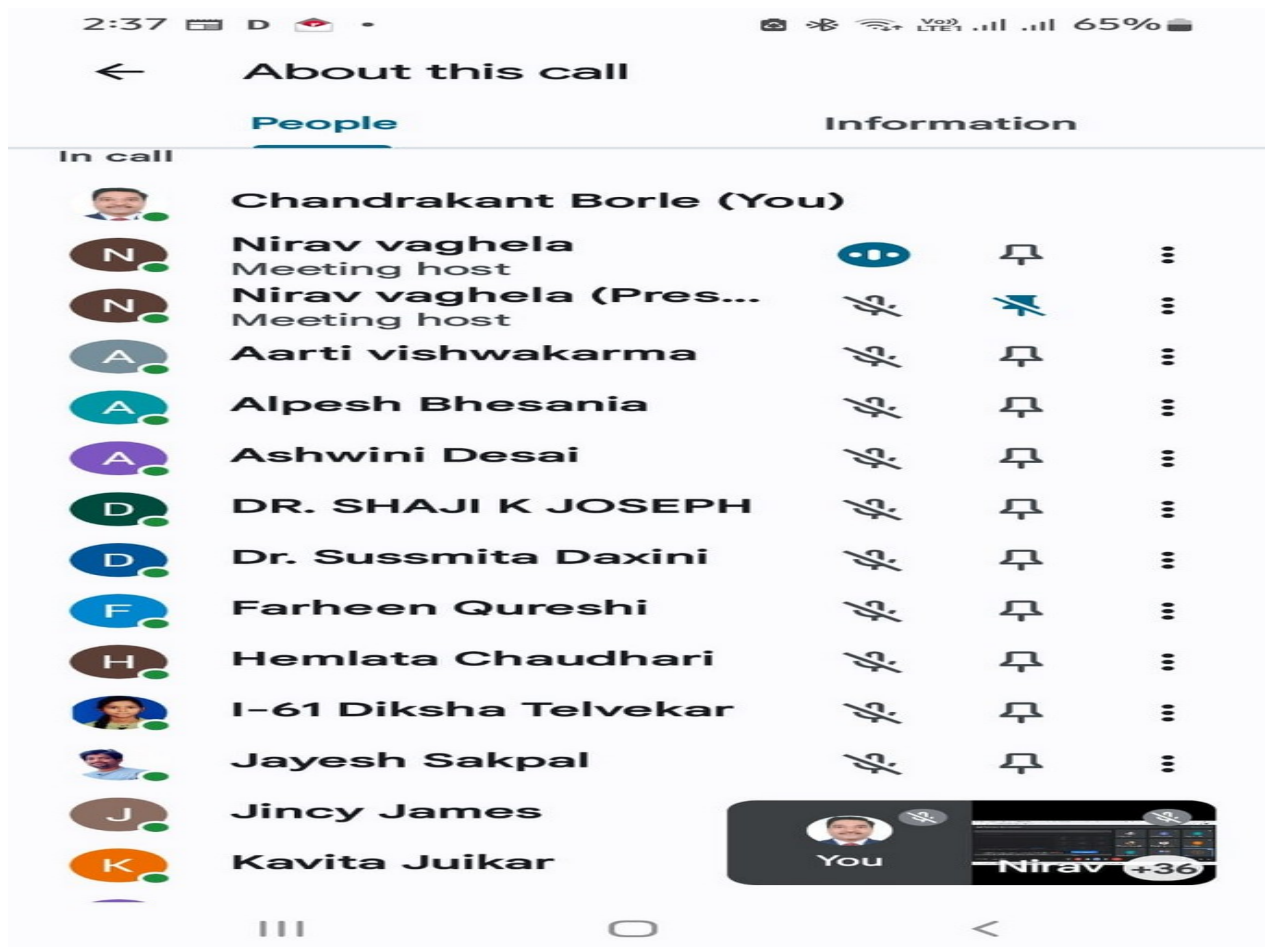

3. Microsoft present a training to showcase the **Functionalities for Digital Engagement** with students after admission on **1st July 2022 at 03.00 PM.**

Key point that covered are

- a. Subject Registration/ Change
- b. Roll no allocation
- c. Print ready ID card generation
- d. Railway concessions
- e. Online certificate application
- f. Other fees/ miscellaneous fees collection
- g. Student MIS report
- h. Mobile applications

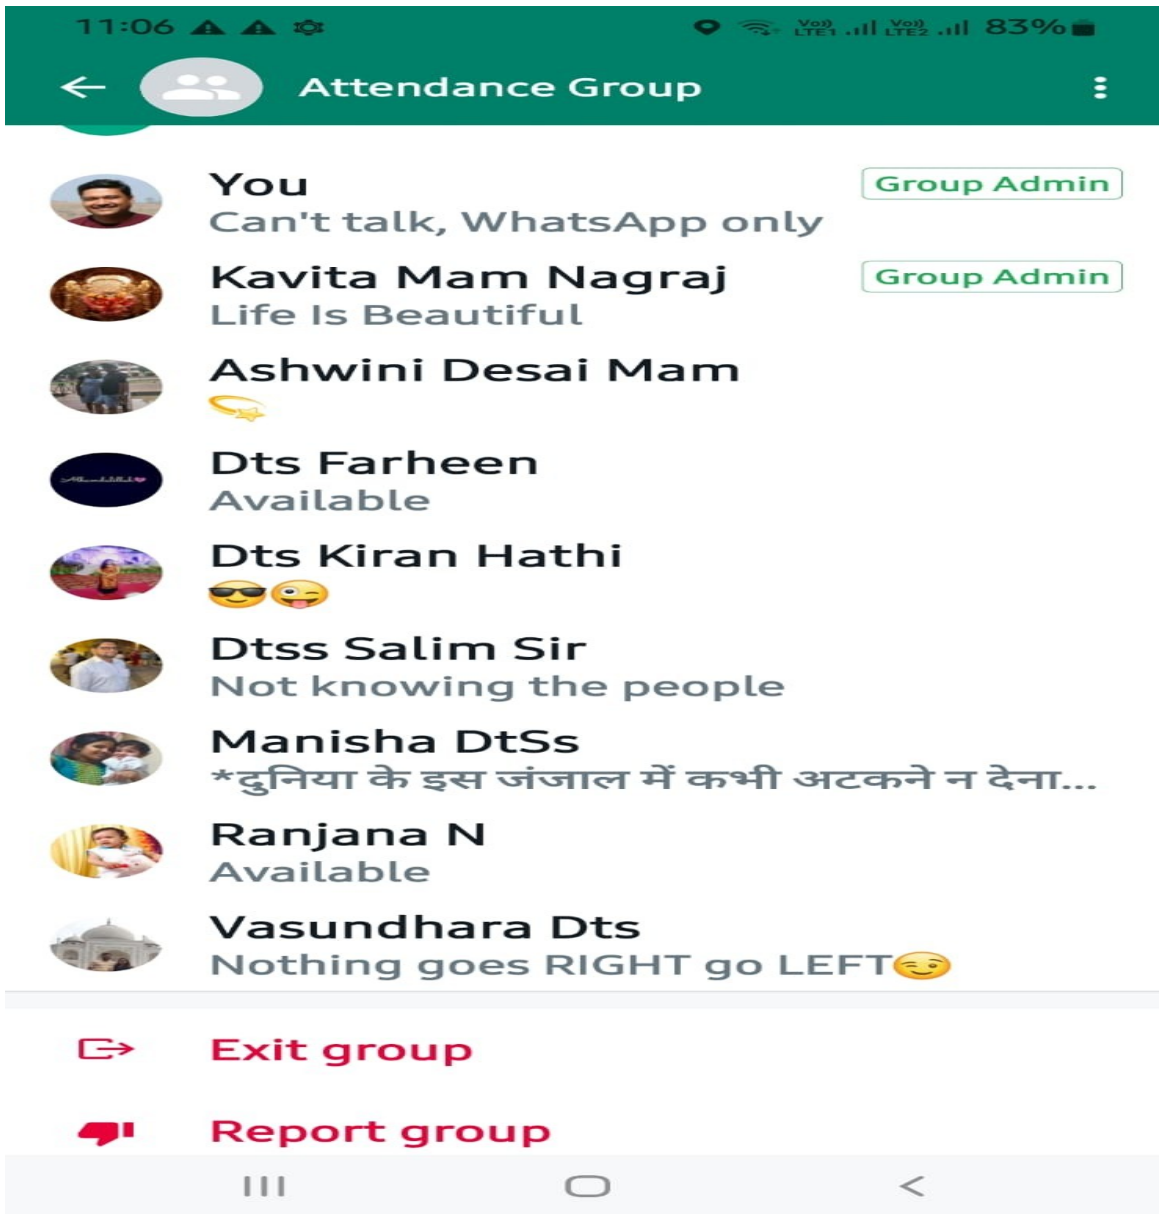

4. **Mr. Nirav Waghela from Mastersoft** conducted one day training to all college staff regarding **attendance module** on _____ at **10.00 AM**.

The key points are covered are:

- a. Subject teacher mapping
- b. Attendance marking
- c. Timetable creation
- d. Lectures slot allotment
- e. Class wise Student teacher mapping
- f. Report generation

INDUSTRIAL VISIT

Solar Power Plant Visit

Date : 18/03/2023

Time: 11.00 am

Class: S. Y, B. Sc. I.T.

Department of Information Technology has organised Solar Power Plant visit on 18/03/2023 for the S. Y, B. Sc. I.T. students. Prof. Chandrakant V. Borle has explained working of solar power plant's Solar panel, DC inverter and Net Metering with Adani Electricals. He also told the benefits of solar power projects, costing and power unit generated. More than 30 students were present for the visit.

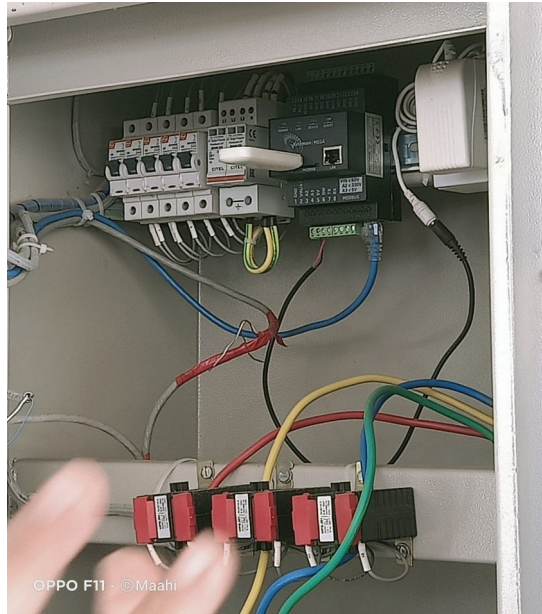

Prof. Chandrakant also added that investment cost is approx. Rs. 17,00,000. 30Kw Project will generate 45000 units /Kwh/Month so payback will be maximum 6 to 7 years. Total life of the project will be 25 years and maintenance will be very less expensive.

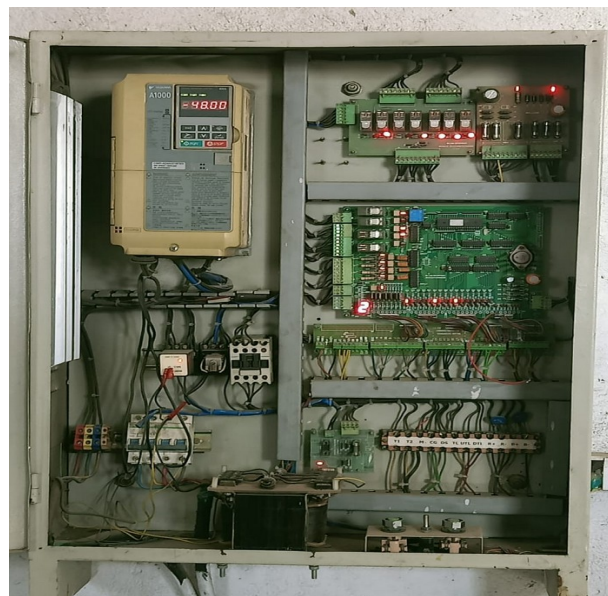

30 KW project can reduced CO2 emissions 32.85 tone per year

Prof. Chandrakant Borle has shown use of embedded systems in solar power plant for displaying real-time status of plant and amount of power units generated with several reports.

Embedded system is part of curriculum and how we can use this in our real life that purpose he has also shown actual working of Lift Controller and guided them.

Prof. Abhijit Palse, Prof. Pravin Patil and Mr. Vijay Kajwe were present for the visit.

MEMORANDUM OF UNDERSTANDING

I. Introduction

This Agreement establishes a basis for mutual understanding between **FalconX, 601.Copper Castle, Byculla East, Mumbai**

AND

Sanskar Sarjan Education Society's Dhirajlal Talakchand Sankalchand Shah College of Commerce, Kurar, Malad East, Mumbai - 400 097 in the implementation of the Internship Education concept, recognizing its benefits to the Student, Employer, and College as joint partners in this relationship.

II. Objective of Internship Education

Internship Education is an academic concept designed to strengthen a student's learning experience by integrating on-campus studies with closely related work experience.

III. Responsibilities

The College, Employer and Student interact to ensure that the academic and work experience goals of Internship Education are achieved to the mutual benefit and satisfaction of all parties.

A. *The College agrees to:*

1. Efficiently screen and match qualified students for referral to work experience opportunities identified by the cooperating employer.
2. Provide qualified students with access to Internship work experience and opportunities.
3. Provide employers with appropriate personal and academic information on qualified student applicants, upon written authorization by the student.
4. Facilitate and coordinate the interview process as a service to both the student and employer.

5. Award credit to participating students who have met the academic requirements of their program.
 6. Inform students and employers of any actions which affect student-employer relations.
- B. ***The Employer agrees to:***
1. Inform the College's Office of Internship Education of all work experience opportunities which have Internship Education potential.
 2. Consider for employment all qualified students prescreened and recommended by the College's Office of Internship Education.
 3. Participate with the College's faculty supervisor in the coordination of the student's work experience activities and scheduling.
 4. Provide the student with an orientation to the work setting upon initiation of each new internship work experience, as appropriate.
 5. Provide the student with meaningful work assignments which, within the confines of employer needs and time-tables, will enhance and complement the student's academic program at the College.
 6. Assist the student in the development of specific learning objectives which coincide with the student's career goals and academic programs.
 7. Provide students, to the extent possible, an overview of all applicable aspects of the industry including organization and management structure, technical and production processes, and major industry, labour, health, environmental, and community issues impacting the business.
 8. Evaluate the student's work performance at least once during each internship work experience period. Discuss the evaluation with the student and complete the internship evaluation forms.
 9. Handle all personnel processing matters related to the student's employment.
 10. Notify the College of any personnel actions taken which may affect the student's standing in Internship Education.
 11. Provide safe and healthful working conditions for the student and hold the College harmless for any injury, illness or damages resulting directly or indirectly from the student's employment activities.
 12. Encourage the student to complete his or her academic program at the College.

C. *The Student agrees to:*

1. Enroll in the appropriate Internship Education course, for at least one semester, upon accepting employment in a college-approved Internship Education placement.
2. Attend the initial internship orientation meeting.
3. Continue enrollment in an approved certificate or degree program at the College while participating in a college-approved internship work experience placement.
4. Identify and write specific work performance and learning objectives relating the internship work experience to his/her academic studies, for each semester enrolled in an internship education course.
5. Keep a Weekly Log of work activities and submit it to the faculty supervisor at mid-term and prior to finals.
6. Participate in activities designed to provide an overview of all applicable aspects of the industry.
7. Prepare a final five to eight page paper summarizing the work experience, or an alternative project approved by your Faculty Internship Advisor.
8. Participate in the student/employer evaluation process.
9. Turn in workbook and all other assignments to the faculty supervisor.
10. Approach responsibility to the employer and College with dedication, enthusiasm, and maturity.

IV. Permanent Employment

Neither the employer nor the student is bound by this agreement to offer or accept permanent employment, although this is often the outcome of an Internship Education relationship. Internship Education placements are not intended to displace current full-time permanent employees of the employer.

V. Equal Employment Opportunity Statement

..... College prohibits discrimination against any person on the basis of age, ancestry, citizenship status, color, creed, ethnicity, gender identity and expression, genetic information, marital status, mental or physical disability, national origin, race, or religious affiliation in its activities, admissions, educational programs, and employment.

VI. Governing Law

This Agreement shall be construed under and enforced in accordance with the laws of the Government of India, and it shall be construed in a manner so as to conform with all national, state and local laws and regulations.

I certify that I have read, understood and have received a copy of this Memorandum of Understanding.
