5) MOUs
6) Data Survey from students regarding Current work status

**D.T.S.S. COLLEGE OF COMMERCE (Autonomous)**

**MINUTES OF THE MEETING OF PLACEMENT CELL**

**ON 15<sup>th</sup> SEPTEMBER, 2022 FROM 11 A.M. ONWARDS**

Below are the Minutes of the First Meeting of Placement Cell for Academic Year 2022-2023.

**The First Meeting** of Placement Cell for Academic Year 2022-2023 **was held on Thursday, 15<sup>th</sup> September 2022 from 11 am onwards in the College Library (Research Room).**

**Taking into consideration the Agenda, Dr. Shubhada Apte welcomed all the members present for the meeting.**

- The following members were present for the meeting:
  - Dr. Shubhada Apte
  - Dr. Carolline David
  - Dr. Nagesh Senigarapu
  - Mr. Chandrakant Borle
  - Ms. Shraddha Chavan
  
- The meeting began with Placement Officer- Ms. Shraddha Chavan highlighting the Agenda for the meeting, which was to draft future plan of action of the Placement Cell for Academic Year 2022-2023 and then the meeting was open for discussion and suggestions from all members.
  
- Dr. Shubhada Apte put forth the idea of collecting details of students regarding their current work status, talents they possess, interests of students, their future study plans, etc. All members suggested questions which should be a part of this collection/survey form, which would help to act according to student requirements. Mr. Chandrakant Borle created a google form with the suggested questions and the same was ready for data collection. The data base collected through google form be given to placement agencies . The data base should be updated every six months . The link of google form is attached below for reference- <https://forms.gle/LhtPvu9TTPDxGRsH6> It was decided that if Principal Madam approves it should be circulated to students in their class.
  
- The members collectively decided that there was a need to have a continuous communication about Placements with the students, especially the Third Year students and that there should be only one platform that will help trace the Placement activities. It was decided that an Official group be created on “Telegram” App in which all Third Year students and Placement Cell members would be a part. The particular App (Telegram) was selected because of its limit of maximum number of participants in a group. Any information about placement be directly posted on the group by the

placement committee members. Ms. Shraddha Chavan suggested to start an Instagram account on the name of Placement Cell of DTSS College of Commerce, so that maximum students of the College follow that page and can easily reach out to Placement opportunities.

- Dr. Shubhada Apte suggested that a MOU (Memorandum of Understanding) be signed with an external agency that collaborates with the College or with any organisation that approaches for Campus Placement, so that the details of students getting placed in any firm through College Placement Cell are recorded in a systematic and formalised manner. All members agreed on the same and decided to follow it to have a formalised structure. The External Agencies approaching the college for placement purposes , if prepared to have MOU with the college , then with due consent of Principal it should be executed. This will have a platform to the external agency to reach to the students. A report of such qualifying and interested external agencies if anyone knows be provided in a month to Principal
- The discussion was held on the typical problem that arises when students actually are required to be placed , they are leaving the college that time and so to some extent communication gets lost. Therefore All members mutually agreed that there should be an up-to-date record of not only the current students but also the Alumni of the College. Mr. Chandrakant Borle was given the responsibility to draft an information collection form with questions suggested by the members of the Cell and that, it be collected from the Alumni. With the help of this information the College will understand employment status of its Alumni. The College could take help and guidance from them for the current batch and could seek more opportunities by increasing contacts through its Alumni.

Dr. Nagesh Senigarapu asked Mr. Chandrakant Borle and Ms. Shraddha Chavan to add names of new alumni members in the existing Alumni association of the College so that the association have students from all different batches.

- **There being no other matter, the** meeting ended with Dr. Shubhada Apte proposing the vote of thanks.

**(1) DEPARTMENT: INFORMATION TECHNOLOGY**

**INCHARGE – Mr. Chandrakant Borle**

<b>Date</b>	<b>Conducted by</b>	<b>Name of the Institution</b>	<b>External Resource Person</b>	<b>Type</b>	<b>Designation/Job Profile</b>	<b>No. of students selected</b>	<b>Selected Candidates</b>
